Dear NAPA members

It gives us an immense pleasure to announce the results of NAPA election 2016. Election Commission would like to declare the following individuals as elected unanimously for the executive post of President, Vice-President, General Secretary, Joint Secretary, Treasurer and 6 executive members. Please find the enclosed document that consists of the names of the elected executive officials and the members for afore mentioned positions. Election Commission would like to express its profound appreciation to all the registered members of NAPA for their enthusiastic support and cooperation in the conduct of this election.

You all deserve genuinely a special thanks for undertaking this noble task of creating a new professional organization under which, you have successfully brought professionals in the domain of agriculture and natural resources scattered in the diasporic landscape of Northern America. There are many more professionals who need to be integrated into NAPA. An organization has been just born and you made a history. Congratulation to all of you and, of course, to all unanimously elected executive officials and the executive members of NAPA!! As an agriculturist, we all know a seedling of a plant just planted needs an utmost care to grow with appropriate nourishment. This seedling is in the able hands of competent leaders who are determined to take it to the next level. Let us all be a part of this evolutionary process. Thank you very much.
